- Adjust brightness, warmth and the colour of the light with the Smart app or remote control
- Suitable for the bathroom (IP65) • Parallel connection possible
- Built-in memory function • Easy, screwless push-in installation • 5-year LED guarantee

Don is a series of Smart downlights that can be adjusted with the Nordlux Smart app on your smartphone or the Nordlux Smart remote. Dim the light, set the colour temperature from cool to warm white or chose from millions of colours for the perfect ambience. The high IP rating (IP65) makes it suitable for bathrooms or other humid areas. Parallel connection possible (up to 15 downlights).
