

Terra 4
DOCKING STATION®

Our Terra4 Docking Station® is the world's first multi-dryer Plug & Play® platform.

Once installed, the Terra4 Docking Station® becomes the fit and forget product, allowing for any of our Plug & Play® hand dryers to be easily installed, upgraded, or replaced within seconds by anyone; no skilled labour required. Managing your hand dryer requirements has never been so easy.

The Terra4 Docking Station® is made from a material that gives outstanding durability, rigidity, abrasion resistance and thermal dimensional stability.

"I've been in the industry for 25 years and I'd say that the Plug & Play® dryers are probably the most innovative, practical and stylish dryers I've seen in this time."
