• 3-Step MOODMAKER 3000K/4000K+night light by switch

Noxy is a minimalistic ceiling lamp with integrated LED and 3-step Moodmaker SceneSelect function, that is operated by your standard wall switch and offers you a night light option that direct the light only towards the ceiling.

The 3-step Moodmaker enables you to control the colour of the natural light, RA90, by having the ability to switch between cold (3000K) and warm (4000K) tones. Noxy in black is delivered including 2 detachable rings in aluminium and brushed brass which gives you the opportunity to add the final detail in the way you like most.
