

Ashdown

Ashdown Spike spot light for LED GU10 Lamp, Grey

The Kosnic LED spike lights for GU10s are made from die-cast aluminium with a glass lens. The lights are supplied with a metal spike for ground installation or can be used with an optional surface mounting kit. The spike lights are IP65 rated for use in vertical installations, perfectly suited for commercial and domestic outdoor illumination of gardens, buildings, thoroughfares and other outdoor spaces requiring accent lighting.
