

Calla

Calla Decorative pendant cable set with metallic finish, E27, Nickel

Industrial vintage style pendant available in a choice of four metallic finishes, Black Chrome, Bronze, Nickel or Red Bronze for a modern aesthetic. A stylish addition to any home environments such as kitchen, hallway, entryway or dining room. The pendant consists of a ceiling rose, cable and lamp holder. The sleek ceiling rose is made of a durable metal to ensure a secure fixture. It has a diameter of 10mm. The flex cable is adjustable up to a max length of 1.1m, its braided cord compliments the metal finish colour. With a widely popular E27 lamp holder it is compatible with Edison Screw E27 bulbs with a maximum wattage of 60w. Looks great with a trendy filament bulb. Please note that the bulb is not included. The universal E27 lamp holder will hold a wide variety of shades.
