

Tulip

Tulip cone shaped shade pendent fitting, E27

Industrial vintage style bronze pendant with a clear tulip shaped glass shade. Great for commercial and domestic lighting, suitable for a wide range of environments, such as café, bars, entryway, kitchen island or dining room for a modern aesthetic. The contemporary design includes a bronze lamp holder and ceiling rose with coordinating bronze flex cable which can be adjusted up to 1.1m. The sleek ceiling rose is made of a durable metal to ensure a secure fixture, it has a diameter of 10mm. With a widely popular E27 lamp holder it is compatible with Edison Screw E27 bulbs with a maximum wattage of 60w. It looks great with a trendy filament bulb, please note that the bulb is not included.
