• 3-step Moodmaker™ dimming by your regular wall switch • Night light with backlight effect

• Easy twist lock connection and easy installation • 5-year LED guarantee

Oja is an universally applicable ultra-flat ceiling lamp in a modern and minimalistic design with integrated LED and that is operated from the regular wall switch.

The 3-step Moodmaker™ integrated in Oja is operated by the standard wall switch to change the intensity of the light source. One click on the wall switch will create 100% light, whereas, two clicks will lower the volume to 50% and the third click will turn on the night light. Oja also has twist lock connection which makes it easy for one person to install the ceiling lamp.
