How to set up your Smart bulb

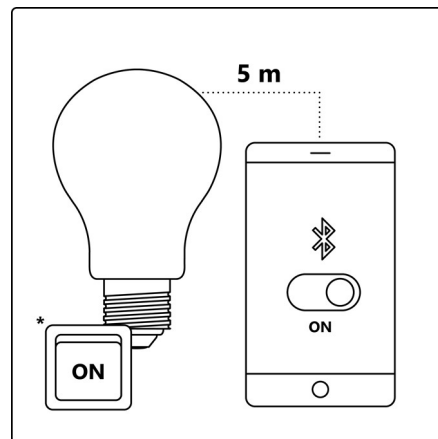

All Nordlux Smart bulbs are set up in the same way and only require a few simple steps to be ready for use.

Below you will find a step-by-step guide on how to set up and connect our bulbs.

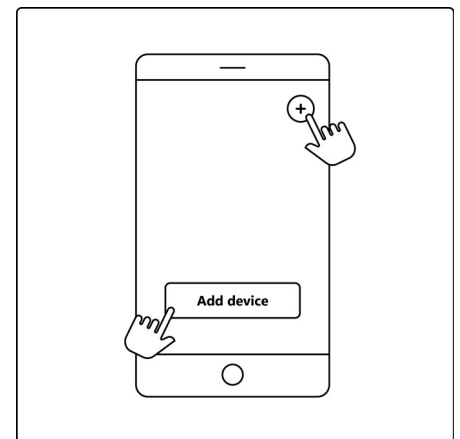

Step 1

Download the Nordlux Smart app from the App Store or Google Play.

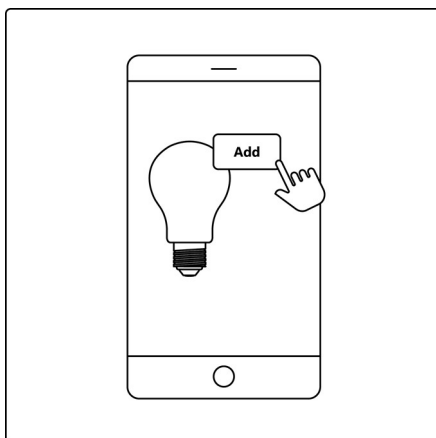

Step 2

Turn on Bluetooth on your device. Distance to Smart Bulb is up to 5 meters. *Remember to turn on the lamp.

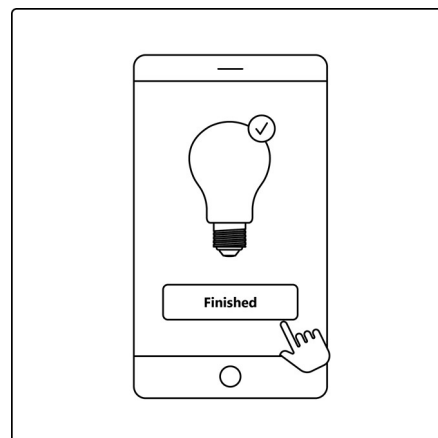

Step 3

Open the Nordlux Smart app and tap the plus icon in the top right corner or "Add device".

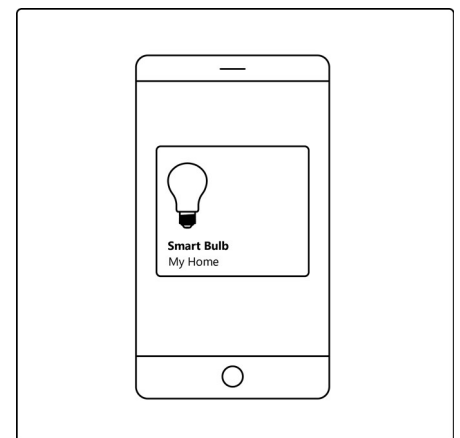

Step 4

1. Tap "Add". 2. Choose the device and tap "Next". 3. Add device to room or skip this step.

Step 5

Device is now being connected. Tap "Finished". If the device is not connected successfully, please tap the "!" for further information.

Step 6

Tap the Smart Bulb on the home screen under "Your devices" to control your Smart Bulb.
