- 15-year guarantee on extensive corrosion

A classic wall light from Nordlux with sensor. The wall light is perfect for mounting in the driveway, at the entrance, on the terrace, or on the patio. The built-in sensor ensures that the light turns on automatically when it detects motion nearby. At the same time, it ensures that the light is not turned on unnecessarily.

The galvanised finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanised steel for coastal areas.
