- Classic and modern design
- Parallel connection possible
- Durable material that is well-suited for harsh weather
- 15-year guarantee on extensive corrosion

The round, minimalist design expression of the Cross wall light by Danish designer Maria Berntsen will embellish any exterior design - almost like a piece of jewellery for your home. Emits a warm, diffused light that creates an inviting atmosphere for your outdoor areas.

The beautiful and durable version in galvanized steel is especially suitable for harsh seaside use. Nordlux offers 15 year of guarantee on galvanized steel. This guarantee applies to extensive corrosion in the form of holes in the metal caused by rust.
