Ribbed diffuser creates a pleasant light
Durable material that is well-suited for harsh weather

• 15-year guarantee on extensive corrosion

The Linton series by Danish design duo Says Who is carried out in a round and elegant design with clear references to the classic lantern. It has a ribbed diffuser that ensures a pleasant, diffused light and a base made from brass that is well suited for harsh weather. The pole light creates the perfect ambience for your driveway, terrace or walking path. Easy installation in ground with the Nordlux base unit.
